

NASA Mid-Atlantic welcomes you as an Instructor Clinic participant!

To register for the Instructor Clinic, you need at least 30 track days on a variety of tracks and your experience is verified. If the event is a three day event, you will have classroom plus track time/drills on Friday to earn your certification. If the event is a two day event, you will have classroom on Friday evening and track time in HPDE 4 on Sat/Sun.

For VIR events/NON-Hyperfest: No trailer drop or gate entry permitted prior to 6:00PM on Thur. of a 3 day event or 6:00PM on Fri of 2 day events. Gates are open 24 hours a day once event begins. **Camping Costs:** VIR collects these fees. RV: \$50; Tent \$35. Power \$30. Power not included with camping. **Gate fees:** Gate fee \$10 unless you have a current NASA Membership card or current Race license (which indicates membership). Please keep your gate wristband on all weekend.

For Summit Point Motorsport Park events: Gates open at 6:00PM Friday (2 day event) and will remain open 24 hours a day. Do not arrive earlier than 6:00PM on opening day because there is another NON-NASA event on track that day and you will not be allowed entry. Since Summit events are non-spectator events, all persons entering the track will sign a waiver and will need to indicate they are attending the NASA event. There is no gate fee. Please keep gate wristband on all weekend.

SCHEDULE AND SUPPLEMENTAL REGULATIONS: Please go to the event page linked from <http://www.nasaracing.net> to view the supplemental regulations/schedule which are posted 10 days prior to the event. Although we try our best to make announcements for your track time, you should pay careful attention to the time and what group is on track so you will know when to report to grid.

REGISTRATION: You will get your on-track wristband from the classroom.

TECH: You must bring your car through Tech with your completed pre-tech form. If your vehicle passes the tech inspection, you will receive a tech sticker. The form you need can be found at http://www.nasaracing.net/?page_id=156 or <https://www.nasaproracing.com/forms>

CAR NUMBER: Your car number is your 1st preference you listed when you registered, unless you have been or are notified of the need for a change.

CANCELLATION POLICY: Please see link on event page and you must click that you agree when you register. Must give written notice to Laura Cobetto, laura@nasaracing.net

All drivers are responsible for any track damage that is the result of their actions on or off the track and will be financially responsible for repair/replacement of damaged track property.

See you trackside!
