

NASA Mid-Atlantic welcomes YOU as a PATRIOT INSTRUCTOR!

HyperFest is a spectator event and procedures are event specific. Please read the following information closely.

To Instructors for Patriot Hyperdrives,

Thank you so much for registering to instruct drivers who we hope to be future members of NASA and the sport of road racing! Zach McAfee is the Chief Instructor for the Hyperdrives, and he will provide classroom instruction for the students.

Event page: <https://nasaracing.net/may-13-15-2022-vir-hyperfest/>

Please go to the HyperFest website www.hyper-fest.com for more information about the overall event!

GATE, TICKETING AND CAMPING INFORMATION

The ticketing platform is Torkhub. Beginning on April 27 and every 3-5 days following that date, every registered driver will receive an email with instructions for how to obtain the following:

Free gate ticket for driver

Free gate ticket for one crew (guest)

Up to 4 discounted tickets

RV Camping or Trailer/tent camping pass if needed.

Gate Arrival: Paddock will open at 6:00PM Thursday evening for driving participants, crew, and staff and will remain open 24 hours a day through Sunday. If you arrive earlier than 6:00PM Thursday, you will be held in a staging area, but you can handle your check-in needs starting at 11AM Thursday.

Although Box Office ticketing is open 24 hours a day after 6PM Thursday, we highly advise arriving prior to 11PM Friday or after 6AM Saturday if possible. NASA Driver Check-in is closed from 11PM-6AM but the box office can help you with your needs if you arrive during that time.

****OPEN TRAILERS MUST BE PARKED IN THE AREA JUST OUTSIDE THE NORTH PADDOCK WHICH WILL BE POSTED ON THE MAP ON THE EVENT PAGE BY 3 WEEKS PRIOR TO THE EVENT****

SCHEDULE:

Friday, May 13 – Please go to registration in the room attached to the tech shed. You will be given two sessions in Open Track on Friday and will need to have your on track passes for this purpose. You will also drive the Patriot course for thirty minutes Friday afternoon to get familiar with the course. Instructors will be expected to place priority on familiarizing themselves with the Patriot Course, if they are not already. There will be a mandatory meeting on Friday afternoon and time will be announced in the email you will receive.

Saturday, May 14 –

Time announced in email: Mandatory Patriot Instructors Meeting @ Hyperdrive Staging area. You do not need to attend the 7:30AM All Hands Meeting on Saturday for the Full Course.

As mentioned previously, you will be dedicated to the Hyperdrivers on the Patriot Course. Saturday's schedule on the Patriot Course will be Hyperdrives and Drifting with alternating sessions. The Drifters sessions however will be 40-60 minutes, allowing ample time for rest and spectating and socializing. Zack McAfee will be leading the classroom at the Patriot Course, in the VIR Gallery. Instructors will tech student cars and will place a tech sticker on the car if it passes your inspection. Tech forms will be on hand. The student will attend a classroom session, similar to the first one of the weekend for any HPDE 1 Student. Then, students will report to grid and instructors will hop in the car for a 20 minute session.

Sunday, May 15 - You will be allowed to run the Full Course, NO STUDENTS ASSIGNED, in either the HPDE4 or TT group...and we'll feed you lunch as well. Please email laura@nasaracing.net if you prefer TT over HPDE 4 on Sunday.

For VIR events: No trailer drops or gate entry are permitted prior to 6PM Thursday.

Once gates are open, they remain open 24 hours a day. **Power \$30, Off-Road \$30. Fees for electrical and off road vehicle passes will be paid to VIR.**

Parking: There MAY be assigned paddocking. The paddock map will be posted at event page at nasaracing.net. There will also be overflow sections if you arrive and your assigned area is full. You will need to put the paddock sticker you are given at check-in on your upper driver's side windshield. You will not be allowed in the paddock without this pass, and there will also be a paddock marshall checking for paddock stickers inside the paddock. Each driver is allowed one support vehicle per registered driver. This is the vehicle that will be allowed in and out of the paddock. Friends, crew and family MUST park in general parking. No exceptions. There will be shuttles that provide transportation.

Saving spaces: You may save one space for a driving participant until 8AM on Friday morning. This must be marked by standard yellow "caution" tape or cones and must be removed at 8AM on Friday morning. PLEASE CONSERVE SPACE. If you are using more space than you should (tow/support vehicle, racecar), you will be required to condense your space. AGAIN, friends, crew, and family MUST park outside of the race paddock.

Saturday evening party: For the Hyperfest event, trophies for race winners are presented Saturday evening in the spectator area. Information regarding special free festivities for you will be discussed at the All Hands Meeting. Please ask at registration if you have any questions.

NASA Club Codes and Regulations/ NASA Mid-Atlantic Supplemental Regulations: You are responsible for knowing the information at these links:

PATRIOT INSTRUCTOR PROCEDURES

REGISTRATION: You must visit registration in the small room attached to the tech shed.

TECH: In tech shed. Please complete pre-tech form.

<http://nasaracing.net/wp-content/uploads/hpdetechform.pdf>

CAR NUMBER: Your car number is your 1st preference unless you are notified of the need to change. **You are responsible to have your car numbered before it will be allowed on the track. We do not provide numbers.**

CANCELLATION POLICY:

Please see link for HYPERFEST policy here: <http://nasaracing.net/contact-us/cancellation-policy/>

No exceptions.

All drivers are responsible for any track damage that is the result of their actions on or off the track and will be financially responsible for repair/replacement of damaged track property.

If you have a general question after reading all the pre-event information, please email registration questions to laura@nasaracing.net and event questions to chris@nasaracing.net

See you trackside!
