

## NASA Mid-Atlantic welcomes YOU as a PATRIOT INSTRUCTOR!

HyperFest is a spectator event and procedures are event specific. Please read the following information closely.

To Instructors for Patriot Hyperdrives,  
Thank you so much for registering to instruct drivers who we hope to be future members of NASA and the sport of road racing!

Please go to the HyperFest website [www.hyper-fest.com](http://www.hyper-fest.com) for more information about the overall event!

Since there may be gate congestion on Friday morning, please allow sufficient time to be at the FRIDAY MANDATORY All Hands Meeting at the tech shed.

### SCHEDULE:

**Friday** – Please go to registration in the room attached to the tech shed. You will be given a wristband for your sessions in Open Track on Friday. You will also drive the Patriot course for thirty minutes at a time to be determined to get familiar with the course. Instructors will be expected to place priority on familiarizing themselves with the Patriot Course, if they are not already. There will be a mandatory meeting on Friday afternoon and time will be announced in the email you will receive.

**Saturday** – You will be allowed to run the Full Course, NO STUDENTS ASSIGNED, in either the HPDE4 or TT group...and we'll feed you lunch as well.

#### **Sunday** –

**Mandatory Patriot Instructors Meeting @ Hyperdrive Staging area. Time TBD**

You will be dedicated to the Hyperdrivers on the Patriot Course.
