

NASA Mid-Atlantic welcomes YOU as a Friday Test and Tune Driver for HyperFest!

HyperFest is a spectator event and procedures are event specific. Please read the following information closely.

Test & Tune is for licensed competition racers. You must have a current NASA or other approved sanctioning body race license or have sufficient credentials to apply for a NASA race license to participate. (If you are a HPDE3/4/TT driver, you need to run in the Open Track group instead.)

Thank you for being a part of HyperFest at Virginia International Raceway! At three weeks prior to the event, please go to the event page at <https://nasaracing.net/schedule/> for the schedule and driver list:

Please go to the HyperFest website www.hyper-fest.com for more information about the overall event!

Since there may be gate congestion on Friday morning, please allow sufficient time to be at the FRIDAY MANDATORY All Driver Meeting at the tech shed.

Box office and NASA Check-in are NOT open 24 hours a day and you must arrive during open hours between 6AM and 10PM.

****OPEN TRAILERS MUST BE PARKED IN THE AREA JUST OUTSIDE THE NORTH PADDOCK WHICH WILL BE POSTED ON THE MAP ON THE EVENT PAGE BY 3 WEEKS PRIOR TO THE EVENT****

Friends, crew and family MUST park in general parking or Lot 4. No exceptions. There will be shuttles that provide transportation.

Saving spaces: You may save one space for a driving participant until 8AM on Friday morning. This must be marked by standard yellow "caution" tape or cones and must be removed at 8AM on Friday morning. PLEASE CONSERVE SPACE. If you are using more space than you should (tow/support vehicle, racecar), you will be required to condense your space. AGAIN, friends, crew, and family MUST park outside of the race paddock.
