

NASA Mid-Atlantic welcomes you as an Instructor Clinic participant!

To register for the IC, you need at least 25-30 track days on a variety of tracks & your experience is verified. If the event is a 3 day event, you will have classroom plus track time/drills on Fri. to earn your certification. If the event is a 2 day event, you will have classroom on Fri. evening & will complete your requirements on Sat/Sun. For both types of certifications, please sign up to instruct over the weekend.

For VIR events/NON-Hyperfest: No trailer drop or gate entry permitted prior to 6:00PM on Thur. of a 3 day event or 6:00PM on Fri of 2 day events. Gates are open 24 hours a day once event begins. **Camping Costs:** VIR collects these fees. RV: \$50; Tent \$35. Power \$30. Power not included with camping. **Gate fees:** Gate fee \$10 unless you have a current NASA Membership card or current Race license (which indicates membership). Please keep your gate wristband on all weekend.

For Summit Point Motorsport Park events: Gates open at 6:00PM Friday (2 day event) and will remain open 24 hours a day. Do not arrive earlier than 6:00PM on opening day because there is another NON-NASA event on track that day and you will not be allowed entry. Since Summit events are non-spectator events, all persons entering the track will sign a waiver and will need to indicate they are attending the NASA event. There is no gate fee. Please keep gate wristband on all weekend.

SCHEDULE AND SUPPLEMENTAL REGULATIONS: Please go to the event page linked from <http://www.nasaracing.net> to view the supplemental regulations/schedule which are posted 10 days prior to the event. We try our best to make announcements for your track time, but you should pay careful attention to the time and what group is on track so you will know when to report to grid.

REGISTRATION: You will get your on-track wristband from the classroom. (Do not go to regis.)

TECH: You must bring your car through Tech with your completed pre-tech form. If your vehicle passes the tech inspection, you will receive a tech sticker. The form you need can be found at http://www.nasaracing.net/?page_id=156 or <https://www.nasaproracing.com/forms>

CAR NUMBER: Your car number is your 1st preference you listed when you registered, unless you have been or are notified of the need for a change.

CANCELLATION POLICY: <http://nasaracing.net/contact-us/cancellation-policy/>
Must give written notice to Laura Cobetto, laura@nasaracing.net Please remember that we accept our total number of students based on instructor enrollment which is why we need ten days notice for any instructor cancellations so as not to burden other instructors with a student assigned to you.

All drivers are responsible for any track damage that is the result of their actions on or off the track and will be financially responsible for repair/replacement of damaged track property.

Questions? Contact Jack McAfee at jmcafee@nasaracing.net. Thanks!
See you trackside!
